Dr. Margarita Terrassa
MD, FACOG

Dr. Margarita Terrassa
MD, FACOG

Dr. Terrassa completed her undergraduate degree at Syracuse University in Syracuse, New York and attended Ponce School of Medicine in Ponce, Puerto Rico, receiving her medical degree in May of 2000. She completed her residency at Tulane University Hospital in New Orleans, Louisiana in May 2004 and has been practicing in the Louisville area since 2005, joining Women First in July of 2011.

Dr. Terrassa is fluent in English and Spanish; she is board certified in Obstetrics and Gynecology, and is an active member of the American College of Obstetricians and Gynecology, AMA, Greater Louisville Medical Society, Louisville Obstetrical and Gynecological Society and Association of American Medical Colleges.

“I believe in treating patients the way I would like to be treated. And I’m passionate about minimally-invasive gyn surgery for women— with less risk and shorter recovery time, it’s a vital option for keeping women healthy and on the go.”
